

The "Eagles" Rock Band Do Serve Satan!

by David J. Stewart | June 2015 | Updated April 2017

2nd Corinthians 11:13-15, "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works."

The "EAGLES" Rock band, who are a combination of Rock, Country and Folk music, were formed in 1971 in Los Angeles. In their new 2:33 hour video documentary titled, "HISTORY OF THE EAGLES," the band's co-founder and lead singer, Don Henley, openly calls Christians "LUNATICS" for claiming that the *Eagles* 1976 hit song (and album of the same name), "Hotel California," [promotes Anton LaVey and his Church of Satan](#). According to Mr. Henley, the song is simply about innocence becoming experienced.

Picture to left: Cover of the new film release, "HISTORY OF THE EAGLES." Notice the head of Baphomet!!! The symbol of the goat, or ram's head is often used in Satanism to represent the Devil. The goat is a mockery of the Lamb of God, Jesus.

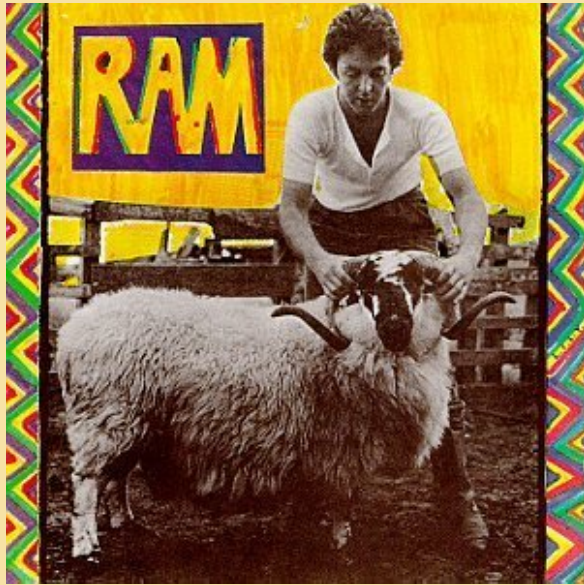

Kindly said, regardless of what Don Henley says, there is no denying the Satanic nature of the mega-popular Rock music industry, and also that the *Eagles* did their part as a band in helping to promote it. People say, the Eagles aren't serious, they're just selling records. The Eagles former manager, Larry Salter, admitted in the Waco Tribune-Herald, (February 28, 1982) that the Eagles were involved with the Church of Satan! Not surprisingly, one of the Eagle's songs is titled "Have A Good Day in Hell."

Our text passage of Scripture is seldom taught in churches anymore, because Satan is so masterfully deceitful that he has even infiltrated the church with counterfeit Bible versions, false doctrines and has polluted the simplicity that is in Christ with [ANOTHER GOSPEL](#) called "[Lordship Salvation](#)." If Satan can deceive the churches, then he can easily deceive the unsaved world. Revelation 12:9, "And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him." As you just read, the holy Bible says that Satan (the serpent) is deceiving the whole world!!!

Picture to Right: The original 1973 album cover of the Rolling Stones album titled, Goat's Head Soup. The goat and ram head are greatly revered in Satanism and witchcraft.

Picture to left: Paul

McCartney's 1971 album cover. Notice the ram's head.

As you can see for yourself (and I could show you hundreds more examples), both *The Rolling Stones* and Paul McCartney of *The Beatles* make use of the goat's head to show their allegiance to Satan.

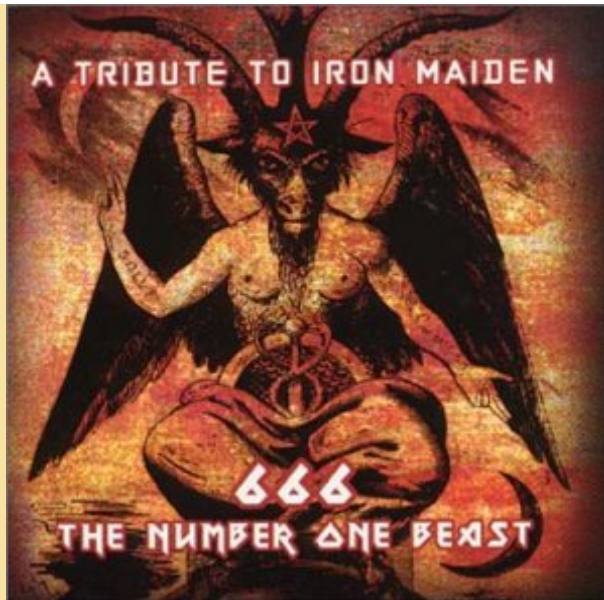

So this is not just about the Eagles; but rather, the Luciferian global elite (aka, Illuminati) behind the architecture of the New World Order are intentionally leading the masses of this world into Satanic darkness, ecumenical religious apostasy, anti-Christianity, revolution against national sovereignty and worship of the Devil. Why are they doing this? It's to prepare the world to receive the coming man of sin, the Antichrist (i.e., in place of Christ).

The Scriptures teach that the heathen world will worship the Dragon (Satan) and the Beast (the coming Antichrist). It is already happening now. **Revelation 13:4, "And they worshipped the dragon which gave power unto the beast: and they worshipped the beast..."** Don Henley can downplay the true nature of his works of darkness all he wants to, but the truth is in plain sight. There is a preponderance of evidence proving that the entire music industry is controlled by occultists who want to promote the New World Order through occult imagery, youth revolution and sexual immorality.

Picture to left: IRON MAIDEN'S 1981 album cover "666" to the left. It's Baphomet, horns and all, which is the beast of Revelation 13. Clearly, the goat's head depicts Baphomet, whom Freemasons at the highest degree of their secret society worship.

Notice to the left in the image that they praise him as "THE NUMBER ONE BEAST." **Revelation 13:4, "And they worshipped the dragon [Satan, Revelation 20:2] which gave power unto the beast [Antichrist]: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?"** My friend, the Rock music industry promotes THE BEAST!!!

As John Hall from *Hall and Oates* has truthfully said, "Rock music is 99% sex!" That's why every Rock star boasts of sex-parties after the concert. In the new film, "HISTORY OF THE EAGLES," Glenn Frey says the Eagles used to have three concerts in a night, the third only for selected guests who weren't freaks, weirdoes or nuts. This was the time when the band drank booze, used drugs and indulged in immoral sex with groupies. I'm

not condemning anybody, because we're all sinners; but rather, as a God-fearing Christian and fundamental Baptist preacher I'm rebuking the band's open boasting in their new documentary of committing such wickedness.

I **DON'T** recommend that anyone buy the "HISTORY OF THE EAGLES," because somewhere in the 2:33 hour documentary they show a totally butt-naked woman (one of the fans from the audience) get up on stage and she bends over with her wiggling rear toward Glenn Frey. They're loving every minute of it. She's wearing no underwear or bra, nothing. It is wickedness! This is serving

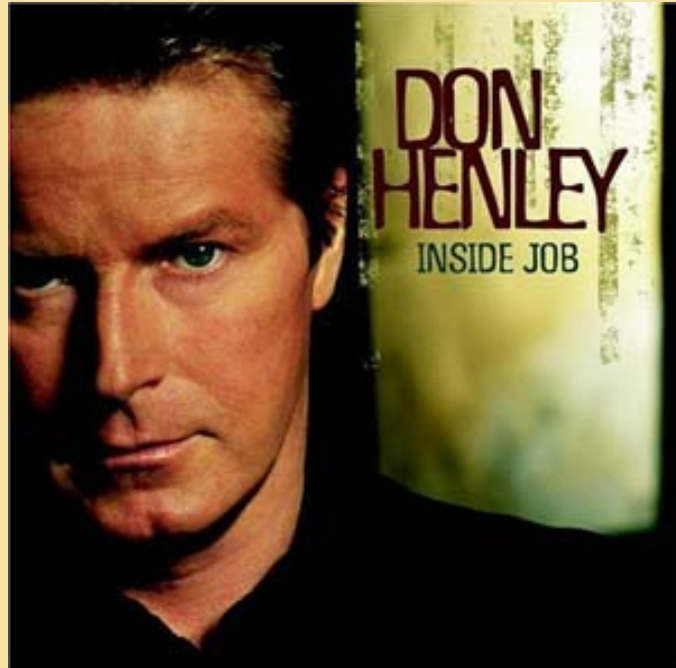

the Devil. The Eagles are serving the Devil, Satan!!! I'll triple-dog dare you that Don Henley would never call a beautiful naked fan on stage a "LUNATIC," like he does Christians who expose Rock's wickedness. Are we really lunatics as Christians for telling the truth about the Church of Satan? Is it just a coincidence that the name of the street upon which the Church of Satan resides is "CALIFORNIA STREET"???!!! And if that bald-headed man is NOT Anton LaVey, then why would you have a bald-headed man that looks like Anton LaVey in the balcony on your album cover? Hmmmmm?

Again, in the documentary of the Eagles' history, a 100% naked female fan struts up on stage and bends over, with her rear-end facing the guitar players, inviting the musicians to have sex with her (the film is not rated). Evidently the Eagles are proud of the incredible mesmerizing power their demonic music has over the souls of women. Rocker Frank Zappa (who discovered the awful truth about Hell December 4, 1993 the second he died) proudly boasted: "I'm the Devil's advocate. We have our own worshippers who are called 'groupies.' Girls will give their bodies to musicians as you would give a sacrifice to a god." (Peters Brothers, *What About Christian Rock*, p. 17). Colossians 3:5-6 warns that such filthy living brings God's judgment, "**Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry: For which things' sake the wrath of God cometh on the children of disobedience.**"

One of the things so evil about secular music is that it glorifies the musicians instead of God [and this includes immoral Country icons too; such as, Godless, reprobate, skirt-chasing, drunkards: Hank Williams Senior (and Junior), Mel Street (who shot himself to death at age 43), Toby Keith, Faron Young (who shot himself to death at age 64) and George Jones]. The Devil is a beautiful liar!!! There is a big difference between condemning someone on a personal level (which is wrong to do), verses preaching against evil which parades wickedness and tries to push it onto our youth as acceptable behavior.

In [an interview](#) with Mitchell Glazer, Don Henley (who says he grew up Southern Baptist) called Pastor Jerry Falwell and fundamental preachers who preach against sin, "**GOD'S BULLIES!**" Evidently Don Henley thinks Christians and preachers ought to shut up, remain silent about wickedness in society and constrain their views only within the church walls. Meanwhile, the Rock music crowd relentlessly tries to turn our innocent youth into dead Janis Joplin, Amy Winehouses, Elvis Presleys and Jim Morrisons (all who

died of drug or alcohol overdoses). I don't want more youth to turn into dead Keith Moons. Even in the new documentary of the Eagles, Joe Walsh is a slush, awash with alcohol. He couldn't even stay sober to do an interview. His eyes are glazed over with the look of death. This is the legacy of the Rock music industry. Here's a shocking documentary about the evils of Rock music, called [ROCKUMENTARY](#). The Eagles, just as all Rock bands, are part of a Satanic music industry. Please read on, I have more things to show you.

ABOVE LEFT: Notice [The Great Pyramid](#) and [All-Seeing-Eye](#) occult symbols, placed on the reverse of every U.S. one-dollar bill [since 1935](#). The base represents the masses of humanity throughout history. The capstone signifies a hierarchal of Satanic power which controls the world. The detached capstone means that the New World Order is NOT complete yet. The Eye, of course, is

Lucifer, the angel of light (2nd Thessalonians 11:13-15). The illuminating rays around the eye signify higher enlightenment obtainable through studying the Ancient Mystery Religions. (e.g., Kaballah, which has 125 different levels of enlightenment. It's all mystic nonsense if you ask me).

ABOVE CENTER: Eagles' co-founder, gifted singer and talented musician, Don Henley. Notice that Henley's **Right Eye is darkened. Zechariah 11:17, "Woe to the idol shepherd that leaveth the flock! the sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened."** No, Don Henley is not the Antichrist, but he is promoting his coming with that *All Seeing Eye* sign. I've even seen many celebrities darken the left eye instead. I don't think it really matters. We know that the Democrats and Republicans are merely two different independent legs **both** walking in the same direction of a NWO. Hollywood's *Star Trek* film advertises they have two Captains, but one Ship. There's the left-hand path (e.g., Aleister Crowley) and the right-hand path (e.g., Alice Bailey) in the occult and Satanism. I don't think it rally matters, because they all serve the same Lucifer, their god.

ABOVE RIGHT: Actor Angelina Jolie, Hollywood premadonna extraordinaire, shows her darkside. Hollywood is 100% bought and paid for by the Devil. The goat's horns are commonly displayed to worship Satan. By the way, that's exactly what the [El Diablo Satanic Hand-sign](#) means, which is [flashed by fans and performers alike](#) at all music concerts. Perhaps no other Hollywood films depicts Satan's horns any better than **Hell Boy** and **Hell Boy II**. The word "Maleficent" means "Harmful or evil in intent or effect"!!! Hollywood certainly is **MALEFICENT!!!!!!**

Pictured to the left is Baphomet. Pictured to the right is the Eagles' debut 1972 album titled, "EAGLES: ONE OF THESE NIGHTS." Notice the goat's head on the album cover!!! Do you really think that it is mere coincidence that all these famous

Rock music groups are displaying a goat's head on the album covers???

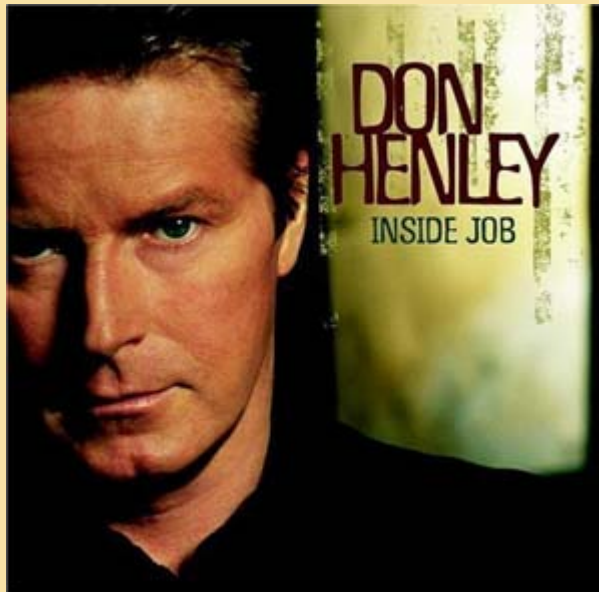

You must understand that when singers and musicians seek a recording contract in the music industry, they are required to agree to certain lifetime terms of the occult contract. They are forbidden from talking about them publicly. You are expected to be a team player of the demonic New World Order (NWO)!!!

Literally, you can check out any time you like, but you can never leave! I've heard [Dave Mustaine](#) hint to this frustration in some of his lyrics. At least that the vibes I picked-up from hearing his song lyrics to "13" on the album "*Th1rt3en*."

There's a lot of flexibility and you are free to be creative, start a new band, start your own management company, et cetera. But one thing that you never, ever, do is expose the true nature of the industry, or else you're finished, because you'll never get another recording contract again (and you might end up like Michael Jackson).

911 Was An INSIDE JOB!

Don Henley is no fool. He knows exactly who he is serving, as does Glenn Frey, Joe Walsh and Timothy B. Schmidt (the four present members of the Eagles). Satan is the boss of the music industry, and that includes Contemporary Christian Music (CCM) as well. It's all the same industry! See Toby Mac's NWO album "[EYE ON IT!](#)"

Picture to left: Don Henley's solo album, "INSIDE JOB."

The album cover to the left disturbs me greatly, because it was released just one year prior to the horrific 911 attacks on the World Trade Center in New York City (which claimed the precious lives of 2,745 people; including [the lives of 343 courageous fire-fighters](#)).

Inside Job is the fourth studio solo album by Don Henley, the lead vocalist and drummer for the Eagles. The album was released through the Warner Bros. record label on May 23,

2000 the album is currently his last album of all-new material to date.

SOURCE: http://en.wikipedia.org/wiki/Inside_Job_%28album%29

I'm not saying that Don Henley had anything to do with the 911 attacks themselves, but you have to admit this is really creepy. Look at that All-Seeing-Eye on Henley's face!!!!!! Now take a look at the [All-Seeing-Eye at the 911 Ground Zero Memorial](#). So you've got Don Henley's latest album (at the time) with an All-Seeing-Eye on the front album cover. And then the name of the hit song and album itself saying, "IT WAS AN INSIDE JOB." And then just a year later the worst false flag terrorist attack in U.S. history happens... AND IT WAS ALL AN INSIDE JOB!!!!!! There's just no way that something like this could randomly happen. The odds would be more than improbable—they would be impossible! Remember, Don Henley's darkened right eye is not something that randomly happening. Don't miss that! The music producer, if not Henley himself, wanted his right eye darkened, showing his continued allegiance to the agendas and workings of the devil's New World Order.

"AN INSIDE JOB?" That's the name of Don Henley's new song and album in May of 2000? God help us to WAKE UP in America, because most people have their heads buried deep in the quick sand. I believe that the government CIA (who have complete freedom to do whatever they want in the entertainment, Hollywood, music and newsmedia industries) somehow got this song into Henley's hands and he was requested to perform it. [Here's sickening evidence that the CIA uses reporters to lie and falsify mainstream news](#). The CIA even has a full-time liaison working in Hollywood to incorporate brainwashing propaganda into movies to mislead and shape public opinion in favor of their NWO agendas. You cannot trust anything that comes through your Television screen anymore these days. Beware of what you watch and the opinions you form from movies. Always ask yourself, "What agenda are they pushing?" and "Why are they showing me this kind of images or commercials?" What's their agenda?

What's the chances of Henley displaying the All-Seeing-Eye on his 2000 album cover, which is the same exact All-Seeing-Eye symbol that the Illuminati used after the 911 attacks to adorn the 911 Ground Zero Memorial for all those murdered??? And the album's hit song is "AN INSIDE JOB???" You couldn't make this stuff up, unless you knew in advance that the 911 attacks were planned and staged by the CIA, bombs were planted in the buildings by Marvin Bush, hijackers from Saudi Arabia were flown out of the country immediately after the attacks, and it was all orchestrated by President George W. Bush's White House administration and those working for them, sworn to secrecy when they were hired.

I don't think Don Henley knew what was coming, but someone up higher in the hierarchy of Satanic power certainly DID know, and they compelled him along proper channels to write the song. There's no way a song like that just happened the year before 911 happened. The All-Seeing-Eye on his album cover plainly evidences that Don Hensley is a part of the New World Order. Why doesn't Don Henley call Joe Walsh a "LUNATIC" (with the same disgusted look on his face when he criticizes Christians) for throwing televisions from the 14th story of a hotel into the swimming pool? Who are the lunatics? The Eagles' music compels women to strip naked and bear all on stage. Any band member probably could have had sex with her on the platform. This is the Godless, reprobate, sick and freaky world today. There is no fear of God anymore. People just take their clothes off.

The Power of Celebrity Worship

A lot of people, even the singers, actors and musicians themselves, downplay the incredible power of celebrity worship over our youth. The following horror story is an extreme, but nonetheless, classic example of the power of suggestion over youth...

'I finally look like Justin Bieber and I couldn't be happier about it': 33-year-old Bieber fanatic has more than \$100k of plastic surgery to become ultimate Believer

A 33-year-old man has spent five years and \$100,000 in an effort to look like his hero - teenaged pop idol Justin Bieber, whose attraction hasn't waned for him since the star's recent arrest.

Toby Sheldon is a songwriter from Los Angeles who has used Bieber's youthful features as the inspiration for numerous surgeries, including face fillers, a chin reduction and eyelid surgery.

'When Justin Bieber got famous I was so jealous of his good looks! He had this baby face that I just really liked,' he says. ...

That is INSANE!!! If you don't like who God made you, then you need to get right with God. The Lord made you as He wanted you. Imperfection you say? Exodus 4:11, **"And the LORD said unto him, Who hath made man's mouth? or who maketh the dumb, or deaf, or the seeing, or the blind? have not I the LORD?"** God makes the dumb, deaf and blind. Amen. You are beautiful in God's eyes as you were born into this world. The Devil wants us all to become immoral, drug-addict, dead, Elvis Presleys. Only in America can a poor black boy from Gary, Indiana, grow up to be a rich white woman in Beverly Hills, California (aka, Michael Jackson). [Look what Satan has done to destroy Bruce Jenner!](#) These are all ungodly people in whom Satan hath filled their minds and hearts with evil imaginations!!! Satan is a monster! Without Jesus Christ anyone can become a monster!!!

Choose Ye This Day Whom Ye Will Serve

Joshua 24:15, "And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD."

My friend, you are either serving God or Satan. Do you think (as does Don Henley) that a Bible-preacher is "GOD'S BULLY?" I sure hope not! The Bible is God's holy Word. The Bible commands Christian believers to refute (expose) all works of darkness (Ephesians 5:11). When's the last time you saw someone walk up naked to the preacher and choir in church and offer them self as a sex sacrifice? Obviously there is something about Rock music that compels women to strip naked and for people to commit adultery. If you idolize your favorite secular singer or musician, you're going to want to imitate their beliefs, moral standards and lifestyle.

If you live for yourself, that is fulfilling Satan's goal for your life, which is to hinder you from doing God's will. The basic premise of the teachings of Satanists Aleister Crowley and Anton LaVey was to live selfishly. They said to do your own thing. Crowley's motto was: "[DO WHAT THOU WILT SHALL BE THE WHOLE OF THE LAW!](#)" In the documentary Henley quotes Mick Jagger of *The Rolling Stones* by saying, "It's only Rock 'n' Roll, but I like it!" The Eagles lived true to the core message of Rock music to youth, which is to indulge in immoral sex, substance abuse and destructive rebellion.

In a Chicago hotel room, actor Jim Belushi and Eagle's guitarist Joe Walsh did \$28,000 worth of damage in one night to the hotel. They brag of such irresponsible behavior in their new documentary. If you or I did that, we'd go to prison. Rock stars get away with a lot (but when their fans imitate them, the fans get busted). Half of the U.S. citizens rotting in prison are there for minor drug convictions, but Rock stars seem to always get a free pass (also evidenced in the new documentary). Drugs are synonymous with Rock concerts. I would be terrified to be in the shoes of those people in the Rock music industry who destroy young people's minds and souls, on Judgment Day in eternity when they give account to a holy God.

When an honest Christian researcher examines a dark witchcraft song like *HOTEL CALIFORNIA* by the Eagles, which mentions THE BEAST that cannot be killed, and never being able to leave the Hotel, and the pleasurable indulgences enjoyed at the hotel, a shimmering light, some dance to remember and some dance to forget, the master's chambers, et cetera... IT'S THE PLACE OF SATAN!!! The very mention of THE BEAST is a giveaway to the nature of the song. Look at their debut album with the goat's head on it!!! The Eagles worship and serve THE BEAST!!!

Hebrews 10:31, "It is a fearful thing to fall into the hands of the living God."

HOTEL CALIFORNIA (1976): They stab it with their steely knives, but they just can't kill THE BEAST...

ABOVE: The Eagles' debut 1972 album titled, "EAGLES: ONE OF THESE NIGHTS." Notice the goat's head on the album cover!!! Do you really think that it is mere coincidence that all these famous Rock music groups are displaying a goat's head on the album covers??? Notice the fallen angel's wings! Have you ever seen an eagle like that, with devil's horns?

There's Nothing Good About Burning in Hell

There is no question that the Eagles are beautiful singers and musicians. I'm sure many of them are nice people as well. Sadly, drugs were a big part of their lives according to the 2:33 hour film, which led millions of American youth into drugs with them. In fact, millions of Americans are rotting in prison for minor drug offenses. You can thank the Rock music industry largely for that! The Eagles experimented with cocaine, LSD, heroine, marijuana and the worst drug of all, alcohol, which has consumed Joe Walsh's life.

At some point in Joe Walsh's life, the booze drank him and hasn't let him come up yet for a breather. I wouldn't be surprised to read one day in the news that Joe Walsh died from a BAC of 0.500%. Amy Winehouse (only 27 years of age) died with her BAC at 0.416%. Rick Danko and his son a decade later both drank themselves to death with booze!!! When will we all learn? The Devil always pays with counterfeit money. All Satan's apples have worms! Alcohol is liquid Devil!!! I'm not trying to be unkind, I just don't want your life to be destroyed by alcohol. I thank God that I've never drank one drop of beer!!! I've never smoked a joint. I've never smoked a cigarette! I thank God I don't know what a hangover is. Alcohol is a deadly poison, a nightmare in a bottle, a deceptive evil. Young people, don't ever take that first drink of booze and you'll never become an alcoholic!!!

In their hit song, "[GOOD DAY IN HELL](#)," the Eagles sing the horrible lyrics...

**The devil's on the phone, he laughs. And says you're
doin' the just fine. In that big book of names I wanna
go down In flames. Seein's how I'm goin' down. Oh
well, it's been a good day in hell.**

Here's a portion of the lyrics to the occult song, "HOTEL CALIFORNIA" ...

**Mirrors on the ceiling,
The pink champagne on ice
And she said 'we are all just prisoners here, of our own
device'
And in the master's chambers,
They gathered for the feast
The stab it with their steely knives,
But they just can't kill the beast**

Those lyrics are about as creepy and Satanic as you can get. Few people today realize that Elton John's music is saturated with witchcraft language. Many of Elton John's top songs weren't written by himself; BUT, rather, by his long-time music partner and lyricist, Bernie Taupin. Not surprisingly, in 1991, Bernie Taupin self-published a book of poems

called "The Devil at High Noon." It is not surprising that the Devil's music is sang by those who admire and promote devout Satanists, such as Anton LaVey and Aleister Crowley.

Did you know that the actual *Church of Satan* was a converted hotel brothel on CALIFORNIA STREET??!! On the inside of the album cover, looking down on the festivities, is a bald-headed man (believed by many to be Anton LaVey, the founder of the Church of Satan and author of the Satanic Bible! The song "HOTEL CALIFORNIA" mentions in the lyrics, "We haven't had that spirit here since 1969," the year that *The Satanic Bible* was authored by Anton LaVey.

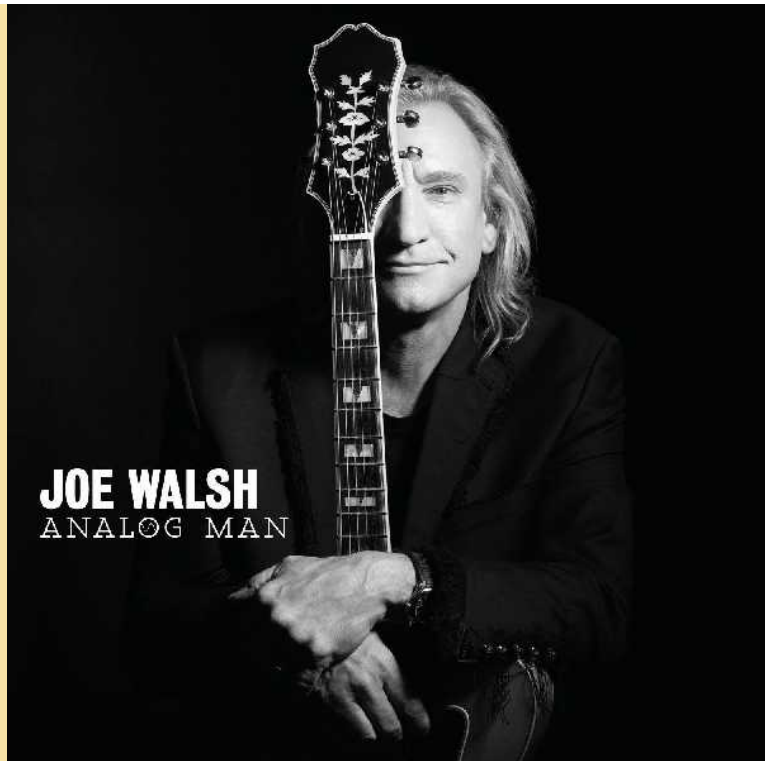

The song "Sympathy for the Devil" by *The Rolling Stones* is the official anthem for the Church of Satan. In it, Lucifer speaks in the first person and asks sympathy for all who meet him. Lead singer, Mick Jagger claims that Anton LaVey (the founder of the Church of Satan and author of the Satanic Bible) helped inspire their music! This 1969 album by The Rolling Stones, titled, "Their Satanic Majesties Request," leaves no doubt to whom they pledge their allegiance! Rock Music is of the Devil.

In their new documentary about the band's history, I heard Glenn Frey mention him and Don Henley trying to create dark lyrics. What a lot of Christians don't know is that this is exactly how "WITCHCRAFT MUSIC" is made. Singer Elton John is famous for his dark lyrics, most of who were [co-written by a witch named Bernie Taupin](#). See, [Rock music and Witchcraft](#). The hardcore Satanic band, Zed Zeppelin, with their naked virgins crawling to the unholy temple to be defiled in *Houses Of The Holy*, sing the lyrics... LET THE MUSIC BE YOUR MASTER!!!). Led Zeppelin is saturated with dark lyrics and Satanic dark music. By using incomplete thoughts in their lyrics, it leaves the listener in a frame of vulnerability, allowing occultists to subliminally plant non-obvious ideas and unholy thoughts into the listener's fertile mind.

Everyone in the Music Industry Has Sold Out

I am a musician myself. John Lennon of the Beatles once said, "I'm an artist. You give me a (expletive) tuba, and I'll bring something out of it." Although I don't approve of his foul language, I can also play any musical instrument. If you leave me alone with any instrument and come back in 30 minutes, I'll be making music with it. My favorite is stringed instruments. I don't think any honest music-loving person could deny liking the Eagles' inspiring sounds. Their music is beautiful. The guitar work is great. Their voices and ability to harmonize are gifts from God.

Kindly, the big problem with the Eagles is that not once in their musical career did they ever glorify the Lord Jesus Christ in their music. The heathen world loves and adores the Eagles band members because they were Godless. Legendary Eagles' guitarist Don Felder admits the band's regular indulgence in cocaine and fornication in their early years. The band sang about having "a good day in hell," sang about "the Beast" and "life in the fast lane," but they never honored God with their music, not at all. The reason why is obvious—it would have been career suicide—not only because the world would have dumped them (John 15:19), but also because the occult-controlled music industry wouldn't have promoted them anymore (2nd Corinthians 4:4).

Sadly, most of today's churches have also sold out, including the southern Baptists. They have embraced Satan's false Bible versions, promoting multiple different Bibles, which confuses everyone. The Devil is deceiving the whole world.

On his 2012 solo album cover above (pictured above), Eagles' guitarist Joe Walsh is displaying the [All Seeing Eye](#), which literally appears on tens-of-thousands of things promoted by the satanic entertainment industry. Whether it be Hollywood or the music industry, including the Contemporary Christian Music (CCM) industry, it is all saturated with occult (hidden meaning) symbols. This plainly evidences that Satan is the evil god of this evil world (2nd Corinthians 4:4). It's hard to find a Hollywood movie that doesn't display occult symbols. That's because Satan is the boss of Hollywood. American society is saturated with occult symbols.

The most prevalent occult symbol is the Washington Monument in Washington D.C., which is an exact replica of [Nebuchadnezzar's golden 90 x 9 image](#) in the Old Testament book of Daniel. This is a 10-to-1 ratio. The Washington Monument is 666.6 feet tall and 66.6 feet wide. Notice the 666!!! That is not a coincidence. Satan is the god of this evil world, and he controls the United States via occult organizations who worship and serve him; such as, the Freemasons. Freemasonry is an organization within an organization. The inner core of upper-level masons are hardcore Luciferian worshippers. The outer 95% are decent, hard working, good men in most cases, albeit woefully ignorant of the true nature of Freemasonry. No Christian can be completely right with God and join Freemasonry, because you're fraternizing with the Devil, partaking of unscriptural vows and pulling on the same rope as the Devil. I am the biggest sinner I know, so I don't condemn anyone.

As I've shown you, on Joe Walsh's album titled "Analog Man" he covers his left eye with his guitar, displaying the single right eye, which depicts the All Seeing Eye of the coming Antichrist. The Eagles are part of the Devil's worldly system. What Joe Walsh calls being

part of the "family" amounts to being a sellout to the satanic New World Order. These men have sold their souls to the Devil for worldly fame and fortune. Don Felder's cross that he wears in public is worn by the most ungodly of celebrities. A cross around one's neck means nothing. Search online and you won't find the name of Jesus associated with any of the Eagles' band members. They are ashamed of the name of Jesus, but I am not. I am joyful to be associated with the name of my precious Savior, Who died on the cross for my many sins, so that I could have eternal life by faith in Jesus Christ alone.

The Eagles have to answer to God for not glorifying Him with their lives. **Daniel 5:23b, "...the God in whose hand thy breath is, and whose are all thy ways, hast thou not glorified."** I certainly have not always glorified God with my life. We are all hypocrites to some degree, all of us! My friend, consider what God has done for you, Who gave His only innocent begotten Son to be spit upon, suffer, bleed and die a sinner's death on the cross, so that rotten sinner's like ME, and you, could have eternal free for free, simply for the taking by faith in Christ Jesus alone. I'm not ashamed of my dear Savior, and when you grow old and near death, hopefully you'll see the light of the truth before it is too late. Please don't die in your sins without Christ, trust Him right now, I beg you.

You don't get to Heaven by being religious, nor by cleaning up your life of sins, nor by trying to get to Heaven. You go to Heaven by realizing that there's absolutely nothing you can do to save yourself, and you rest completely in the Gospel (Good News) that Christ DIED for your sins on the cross, was BURIED, and then three days later He bodily RESURRECTED from the dead (1st Corinthians 15:1-4. Note: All Scripture references are only from the trustworthy King James Bible). If you admit that you are a guilty sinner in the sight of a holy God, but you receive Christ's sacrifice on the cross as payment for your sins, believing that He raised up from the dead, you will be saved immediately irrevocably and eternally. That is God's solemn promise (Romans 10:13; 1st Corinthians 1:21). **John 6:47, "Verily, verily, I say unto you, He that believeth on me hath everlasting life."** Do you believe on the Son of God?

As I mentioned earlier, interesting, Don Henley grew up a Southern Baptist. I can only hope that he is a secret born-again Christian (John 12:42-43). We simply do not know, because the band members have never told the world what they believe. Don Felder also grew up a southern Baptist. Glenn Frey's religious beliefs have been carefully kept a secret, for obvious reasons. The Lord Jesus Christ said in His Word that if we are ashamed of Him, so also will He be ashamed of us. **Mark 8:38, "Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels."**

The Rock stars of the world are getting old. Don Henley is now 69. [Brian Johnson](#) of AC/DC is the same age. Sadly, Eagles' founder, Glenn Frey passed away in 2016, at age 67. What an awesome voice! Glenn battled painful rheumatoid arthritis for 15 years. Joe Cocker is dead! Jerry Garcia is dead! Mike Edwards, one of the founding members of the band ELO (Electric Light Orchestra) was suddenly killed when a cylindrical 1,300 pound bale of hay rolled down a farmer's hillside in England and crashed onto his van. Edwards was only 62 years old. My friend, death could be lurking just around the next corner. Are you ready to meet your Maker? I am not trying to upset anyone by preaching against the world's system of music, truly, God knows my heart.

I didn't write this article to attack the band members individually, God forbid. I am a big sinner like anybody else. We are all sinners in God's sight. Only bad people can go to

Heaven. God only saves sinners, not the self-righteous who trust in their own goodness. I'm only going to Heaven because at 13 years of age I placed all my trust in the Lord Jesus Christ, Who died for my sins on the cross, was buried, and three days later bodily resurrected from the dead and is now in Heaven (1st Corinthians 15:1-5; Romans 8:34). Our faith in the Gospel (i.e., the *Good News* of Christ's death on the cross for our sins, His burial and subsequent resurrection three days later) is what saves us. This is God's plan of redemption for all mankind. The choice is each of ours to make.

Let me ask you a serious question... Are you ready to meet your Maker? Is Don Henley ready to meet God? I often wonder if Glenn Frey went to Heaven or Hell? Did Frey get born-again? Did He receive Jesus, the Christ, as his personal Savior? Sadly, Linda Ronstadt professes to be an atheist. I truly feel sorry for her, because she'll believe in God the second she leaves her earthly body and falls into the hands of the living God, which is a fearful thing the Bible says (Hebrews 10:31). Jesus is the only begotten Son of God, the bodily resurrected Christ, Who died on the cross for your sins and mine. I hope you'll believe this Good News (the Gospel) or else you'll never see Heaven when you die. Jesus said, "[Ye must be born again](#)" (John 3:3).
